SIR,

Referring to your docket No. 3957/V the 12th Instant, I have the honor to submit that the Summary of discussion does not explain why the extension was required. Honakere is only 8 miles from Nagamangala and about 15 miles from French Rocks, and the traffic on this road is not very heavy. I beg also to add that an Estimate for Constructing an Inspection Lodge at Honnakere, Nagamangala Taluq is under preparation in the Department Public Works and an allotment of Rupees 2000, has been granted in the Preliminary issue of the P.W. Budget for 1893-94. This will answer probable requirements without the necessity for Extending the Moosafirkhana alluded to.

I have the honor to be
